

**VOTE for Kenilworth Park!**

# Help us win and improve the walking trail, disc golf course, and the watershed in our park!

## HERE'S HOW IT WORKS:

Visit us and other parks in our area through July 31, 2016 and help Kenilworth Park win a grant for improvements, up to \$10,000!

Every participating park will have a voting box. Visit as many parks as you can (including us!) and drop a ticket off to cast a "vote." The more parks you visit, the more "votes" your favorite park will receive—increasing their chance to win a grant for improvements, up to \$10,000!

Enjoy a little outdoor activity and, at the same time, help Kenilworth Park win! Some of the excellent amenities you'll find at our beautiful park include a walking trail and disc golf course.
