presents

# Fall Cleanup for Wildlife Gardening Webinar

**Want to do what's best for humans and critters alike? Want to help threatened pollinators and local ecosystems? What to be a part of the solution to a changing climate? Join Jessie Shiffler, recent volunteer President for the Southeastern PA Chapter of Wild Ones, to learn about ways to foster biodiversity in your home landscape. We'll be considering some alternatives to the traditional sterile fall clean up practices most of us learned as responsible homeowners.**

**Tuesday October 8, 2024 @ 7 PM**
